

Rose Resources

Rose growers enjoy a warm and joyous support network. The American Rose Society (ARS) is one of the foremost horticultural organizations in the world. Membership in the ARS includes a subscription to *American Rose*, a full-color, monthly magazine. Annual dues are \$37 per person (\$34 for individuals 65 years of age and older) or \$100 for three years. More information is available from:

American Rose Society
P.O. Box 30,000
Shreveport, LA 71130-0030
phone 318-938-5402
www.ars.org
e-mail ars@ars-hq.org

The Ventura County Rose Society (VCRS) is an affiliate of the ARS. One hundred strong in 2002, society members hail from all parts of Ventura County, and from Santa Barbara and west Los Angeles as well. Meetings are generally held the fourth Thursday of the month at 7:30 p.m. at the Camarillo Airport. Guests are always welcome.

Annual membership dues of \$15 per household includes 11 issues of *The Ventura Rose*, the society's newsletter containing monthly rose care tips, how-to pieces and a calendar of upcoming local, regional and national rose events. For more information about VCRS activities, contact Membership Chair Connie Estes at 805-525-3834 or visit us online at www.ventura.org.

Good to Grow— 100 Roses for the Ventura County Garden

The moderate, coastal climate of Ventura County makes this one of the ideal places in the world for planting and maintaining a beautiful rose garden.

Roses sometimes get a bad rap as being difficult to grow. Not so! Selecting a rose compatible with our particular climate is more than half the battle. The variety of modern hybrid teas, floribundas and shrub roses suitable for this area is tremendous.

We are fortunate, too, to be able to successfully grow many antique, or old garden roses (OGRs). Teas, noisettes and China roses, in particular, tend to do quite well in terms of disease resistance and overall vigor.

Rose choices for a garden in the cooler areas of Ventura and Oxnard will differ somewhat from varieties that would do better in the hotter, more arid inland areas of Thousand Oaks, Simi Valley and the Santa Clara River Valley. Feel free to call on one of the knowledgeable and friendly Consulting Rosarians listed on the back page of this brochure with your rose care questions and for rose shopping advice. Help is never more than a phone call or Internet click away.
